Specifications

The Classic design of the Barcelona table base system gives it the ability to suit any environment. High grade die-cast aluminium and steel structure ensures flexible and adaptable configurations. Functional in it's form, practical formations can be created with few elements.

This system has cross-top fixings to support the table top of your choice, with structural stability added by use of horizontal rails at above floor level. For accurate selection of the most appropriate configuration suited to your needs, please submit dimensions of the proposed top for quotation.

Options

Laminate or Veneer to your selection

Made to order to suit your table top selection

Dimensions

Dependant on table top size

Lead time 5-6 weeks

Warranty 5 years

bct10 - customised

bct2
