carina & carina beam

The Carina is a lightweight, robust, timeless design. It is available in a variety of options. Variations include a 4 leg frame, swivel or beam system with black, white or blue resin seats and backs. Carina has a one piece moulded shell which is stackable and comfortable.

Range Features:

- Swivel is gas height adjustable
- Visitor has four leg tubular frame
- Chair stackable 8 high
- 2, 3 or 4 beam seating modules
- Magazine tables can be attached to beam by specification
- Beam frame is black ripple powdercoat finish
- Beam is single steel with moulded die cast aluminium foot
- Beam can be ordered as fixed or freestanding

“...a lightweight, robust, timeless design.”
