The "Gap" coffee table is perfectly coordinated to match the lounge with its twin glass tops and double ended draws. Made from solid timber, seen here in beech, will be a talking point.

Artifex attention to every detail is unrivaled. Enhanced by a frame constructed of structural strength formply and dressed hardwood then encased with a premium grade foam covering, high resilience seat cushioning and elastobelt suspension system. Backed up by an Artifex 10-year structural guarantee.

The "Finesse" sideboard features here in beech can have either a solid timber top or granite. It's subtly curved front and bowed doors gives the unit its sophisticated style.

| DIMENSIONS (mm) | WIDTH | DEPTH | HEIGHT |
|-----------------|-------|-------|--------|
| Chair | 1020 | 980 | 880 |
| 2 Seater | 1610 | 980 | 880 |
| 2.5 Seater | 1810 | 980 | 880 |
| 3 Seater | 2200 | 980 | 880 |
| 3.5 Seater | 2500 | 980 | 880 |
| Sideboard | 2050 | 500 | 900 |
| Tables | 1200 | 1200 | 320 |

Seen here with its cleverly concealed storage is the "Presto" coffee table which includes the ottoman.

Combining looks with comfort, the "Gap" is a piece for today's lifestyle. It can be made in your choice of covering and either timber or stainless steel legs. Shown here upholstered in Brahman leather Montage "Balmain Blue" and finished with stainless steel legs.
