

Loft

These versatile "Loft" coffee tables which have the ability to be linked together in several formats or used individually enables you to create a continually changing atmosphere within your environment. Tops are in a durable laminate finish, which offers a large choice of colours and texture. The legs have been designed to coordinate with those of the "Loft" settings.

The distinctive "Loft" chair with its subtle, play on angles and form, will envelope you in every sense. Available in your choice of covering. The legs are standard in beech either natural or stained to a variety of colours.

Artifex attention to every detail is unrivaled. Enhanced by a frame constructed of structural strength **formply** and dressed hardwood then encased with a premium grade foam covering, high resilience seat cushioning and elastobelt suspension system. Backed up by an Artifex 10-year structural guarantee.
