LINEA 860SK

The Linea Chair range offers an attractive family of general purpose seating with a range of base options. The black soft urethane skin arm with steel insert, which is standard, is robust, attractive and functional. Strong internal steel fixing secures the arm to the frame and if the chair is to be stacked and handled by the arms - this is the chair to suit your needs. Optional timber armcaps in Tasmanian Oak (Victorian Ash) are a Pluto exclusive in a chair of this style. All frames are stackable except swivel and skid armchair.

## FINISH

Black and Chrome frames are standard. Selected powdercoat by quotation.

## DESIGN

The Pluto Design Studio.

## ACCREDITATION

Ergonomic accreditation to Worksafe Australia standard - National Occupational Health and Safety Commission. Physical testing accreditation to Level 4 "Heavy Commercial Usage" by AFRDI - Australian Furniture Research and Development Institute on skid and swivel chairs.

## OPTIONS

Black urethane arm is standard. Optional timber cap arm over steel inset-t available in various stain finishes. Removable folding writing tablet. Show-wood ply seat and back. Black plastic outer back.

## WARRANTY

3 years against faulty workmanship or material.
