GREGORY
Ergo-Eco logical™

stewart

Designed to please and built to last, the Stewart visitor chair is suitable for all environments. The Stewart chair is so hard working it is virtually indestructible, with the ability to stack up to 6 high, it is a great option where space and storage is tight.

Range Features:

- Extremely robust 12mm solid steel frame
- Frame attached using t nuts into seat and metal side plates onto back
- Premium grade fire resistant foam
- Stack up to 6 high
- Chrome sled base
- Black nylon coated sled base
- Push on glides for hard surfaces
- Trolley stacks up to 15 high
